Career Summary

I am a Computer Science student graduating from San Diego State University in the Fall of 2023. I am looking to gain career and educational experience in the field of Software Engineering. My coursework has included classes in Algorithms, Data Structures, Operating Systems, Unix System Administration, Systems Programming, Machine Learning, Speech Processing, and 3D Video Game Programming.

Work and Leadership Experience

Paddlesports Instructor
Mission Bay Aquatic Center, San Diego, CA

Lead instruction for two of San Diego State's ENS Watersports classes, as well as recreation classes and summer camp groups.

Skills Learned: Safety/Risk Management, Leadership, Organization, Punctuality

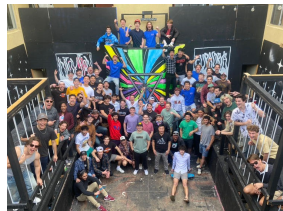

Housing Manager, Vice President, President
Kappa Alpha Order, San Diego, CA

Organized and led chapter meeetings with 100+ members, as well as Executive Committee meetings. Held correspondence with National Office, Greek Advisor, Alumnus Advisor and Dean of Students. Managed a gross budget of $80,000 a year and managed chapter house leasing agreements. Fall 2022 the chapter had record-breaking numbers for recruitment and philanthropy, with over $9,000 being raised for the Surfrider Foundation at a single event.

Skills Learned: Safety/Risk Management, Budgeting, Leadership, Organization, Time Management, Problem Solving, Conflict Management, Public Speaking
